

Meet the Teacher

Hi! My name is **Mrs. Young**. Welcome to Third grade! I am so excited to work with you and your **child**. It's going to be a year full of fun, **learning**, and lots of **adventure** and I can't wait to see what the year has in store for us! I thought you might want to know a little about me.

I am married to my wonderful husband, Blake. We have a son (**Austin**) and a daughter (**Katie**). They both attend the University of Idaho. In my free time I enjoy camping, reading and taking long walks with my dogs.

This year marks my **Tenth** year teaching **Third** at West Elementary. Before that, I taught 3 years of Fifth grade in New Mexico. I absolutely love **teaching** Third grade, I believe every child can be **successful** given time and opportunity. It is my **mission** to instill a **love** of learning in my student and develop the desire to become **life-long learners**.

Please let me know if you have any questions or concerns. It is so **important** to keep communication **open** between us and I would love to talk to you whenever you feel the need. I look forward to a **great year together!**
